15:00 **閉 会**

A collection of baseball equipment arranged in a fan-like shape. At the top, five wooden bats are bundled together at their handles, which are inscribed with Japanese calligraphy. Below the bats, four baseball gloves are displayed: two on the left and two on the right, each with calligraphy on the back. In the foreground, several baseballs are scattered, some with calligraphy on their white covers. The entire set is presented against a plain white background.
