Okinawa Prefecture Civil Engineering No. 125
Okinawa Prefecture Agriculture No. 646

Notice of Revocation of Approval for Reclamation of Public Waters

Okinawa-ken

290-9 Kadena, Kadena-cho, Nakagami-gun,

Okinawa Defense Bureau
(Director-General Koichiro Nakajima)

Based on the provisions of Article 4, Paragraph 1 of the Act on Reclamation of Public Waters (Act No. 57 of 1921; hereinafter, "the Act"), applied pursuant to Article 42, Paragraph 3 of the Act, approval is revoked pursuant to Article 42, Paragraph 1 of the Act.

August 31, 2018

Vice Governor of Okinawa Prefecture,
Kiichiro Jahana

1. Details of disposition

The approval for reclamation of public waters pertaining to the Marine Corps Air Station Futenma alternative facility construction project that your organization has received (Okinawa Prefectural Civil Engineering Directive No. 1321 / Agriculture Directive No. 1721, dated December 27, 2013) is revoked.

2. Grounds for revocation

As indicated in the attached document

(Advice)

Okinawa Prefecture may initiate legal action as a defendant to have this disposition rescinded (Okinawa Prefecture is to be represented in any lawsuit by the Prefectural Governor of Okinawa) within six (6) months calculated from the day after learning that this decision has been made. (However, even if within six (6) months calculated from the day after learning that this decision has been made, legal action for revocation of this disposition cannot be initiated if one (1) year has elapsed from the day following the date of this decision.)
